The SMM FORUM is MOVING >>>

To all SMM leechers:

Due to various reasons Shoujo Manga Maniac has decided to move the SMM forum to another server

Our new address is > > > **http://shoujomaniac.free.fr/forum/index.php**

As of 1 January 2008 all new releases will **only** be posted in the new forum. Topics and threads in the old forum will slowly be deleted through the course of the following 3 months.

If you have any questions feel free to ask them in the old forum. Unless the staff consider them ravingly stupid or they're questions that have been asked before we will be more then happy to answer them.

SMM Staff

the SMM FORUM is MOVING >>>

Your Post Count (to get SMM releases):

»You will **still need 35 posts** (15 yen) to access SMM new releases. All downloads links are now hidden in the second post. To see the content you must reply to the subject with a message of at least one sentence of 15 words!! You're not allowed to post copies of others members replies either.
If you do not respect the above rules you'll be in the following circumstances.
• you'll be deducted 20 yen • you'll be deducted 5 prestige points • you'll be warned [5 warnings – ISP banned]

»Please re-read all SMM rules as there have been updates & changes

»To **transfer** your current post count into the new forum you will need to make a post asking us to do so in the **HELP** section of the **old forum** in **this** thread:

http://z15.invisionfree.com/Shoujo_Manga_Maniac/index.php?showtopic=9316

In this post you will need to put **your name** you have registered in the **new** forum so we can make the post adjustments to your new account. We are not responsible if you put down the wrong username.

»If you post **more than once** requesting we change your account or ask why we haven't updated your account yet, we will **HAPPILY** deduct 10 posts from your post count for each of those said posts.

»We aren't able to transfer many of the topics across so this forum will basically be starting from scratch.

»If for any reason you object to any of this, you are free to blame the leechers who only posted 35 crappy posts and then dropped off the face of the earth. 70% of our members are inactive. You may also blame the increase of p0rn posters for this decision.

We hope you enjoy the following chapter.
